**Ribbon Cutting at Mound Business Park's New Tenant,
The Woodworking Shop, LLC**

November 11, 2015—Miamisburg, OH—

The Mound Business Park welcomed custom cabinetry manufacturer The Woodworking Shop, LLC as they began their lease at 1195 Mound Road in April.

The ribbon cutting ceremony will take place on Monday, November 16th at 11:00am.

The Woodworking Shop is a family operated company owned by Mark Sams—started on their family farm in 2001. The business expanded from their 7,500 square foot facility in Monroe to a 31,500 square foot space at the Mound Business Park in Miamisburg.

“As a family owned and operated business, we are excited to expand at a property where the management shares our values,” said Mark Sams.

The Woodworking Shop uses this space to design and manufacture custom cabinetry for both commercial and residential customers.

“We are honored The Woodworking Shop chose to join us at the Mound,” said Eric Cluxton, president of the Mound Business Park. “Part of our growth in 2015 has been welcoming different types of tenants and we are excited to be representing a diversified group of industries.”

About the Mound Business Park

The Mound Business Park is a modern 306-acre business park located in Miamisburg, Ohio between Dayton and Cincinnati, owned and operated by the Mound Development Corporation. Originally a top research laboratory for the Department of Energy, the Mound Business Park is now home to more than 12 businesses with additional shovel-ready sites available. Recently certified as a Job Ready Site by the State of Ohio, the Mound Business Park features preserved green space, quick access to I-75, and business-building amenities including advanced IT infrastructure, flexible lease terms, and grant-based financial incentive options.
