**Keyless Door Lock Distributor and Integrator GoKeyless Moves Headquarters to
Mound Business Park**

December 28, 2016—Miamisburg, OH—

Previously headquartered in Vandalia, keyless door lock distributor and integrator GoKeyless will be moving their operations to the Mound Business Park in Miamisburg. In addition to keyless door lock systems, GoKeyless also offers cameras, door hardware, and other security services to clients across numerous industries, including aerospace, education, retail, and travel.

“Having started our operations right here in Southwest Ohio, we are eager to continue and accelerate growth from our new headquarters at the Mound,” said GoKeyless Managing Partners Joshua Stamps and Brandon Atchley. “From this location, we will continue to provide our customers with unmatched customer service as we sell and support our keyless door locks and other security systems.”

GoKeyless will occupy more than 10,000 square feet within 955 Mound Avenue, with plans to expand their operation in the future.

“With GoKeyless, we continue to diversify our tenant base at the Mound,” said Mound Business Park President Eric Cluxton. “GoKeyless is revolutionizing their field, bringing more security to their clients, and doing the interesting kinds of work that people have come to expect from our tenant businesses here.”

About the Mound Business Park

The Mound Business Park is a modern 306-acre business park located in Miamisburg, Ohio between Dayton and Cincinnati, owned and operated by the Mound Development Corporation. Originally a top research laboratory for the Department of Energy, the Mound Business Park is now home to more than 12 businesses with additional shovel-ready sites available. Recently certified as a Job Ready Site by the State of Ohio, the Mound Business Park features preserved green space, quick access to I-75, and business-building amenities including advanced IT infrastructure, flexible lease terms, and grant-based financial incentive options.
